The Head of Operation,

Centrifuge Information Technology Limited

Dear Ma,

Good day Ma. I hope this letter finds you well. I am writing to tender my apologies for not submitting my review on time as requested by the organization.

I couldn't submit my review on time because I didn't have any progress whatsoever to submit because all I did the previous day was study and a lot of trial and error that yielded nothing.

I understand that I still have to update the authorities on the progress of my task even when the progress is the bare minimum.

I understand the importance of submitting reviews and adhering instructions. I promise not to repeat the behavior again.

Thank you for your attention and understanding to this matter.

Yours sincerely,

Chioke Jane Frances. I
